

# EXPLORERS DIVE CLUB

## Dive Boat Policy

**REGISTRATION:** Sign up sheets for each dive will be made available at the March meeting. Once a charter has been filled a first come, first serve waiting list will be added. The sign up sheets will be posted at each meeting through the remainder of the dive season.

**DEPOSITS:** A \$85.00 deposit (payable to the Explorers Dive Club) is due upon sign up, however we will accept deposits up to one month prior to the first Charter trip. If a deposit is not received the diver's name will be removed from the sign up list and someone from the waiting list will be added to the charter. Deposits will be used to cover unpaid late cancellations. If a deposit is used to pay for a cancellation, an additional deposit must be made before the diver is eligible for charters.

**PAYMENTS:** Charter fees will be determined by the overall cost of the charter divided by the number of divers (minimum 10.) Charter fees are approximately \$85.00 per diver and do not include crew tips. Payments are due in cash at the time of departure.

**CONTACTS:** Coordination of charters, diving members and payments as well as any questions will be handled by the designated dive master for the charter.

**CANCELLATIONS:** Weather cancellations are determined by the Captain either the night before or the day of the dive. No fee will be charged for cancellations made by the Captain. Members canceling 10 or more days prior to a charter will not be charged for the charter. Openings will be filled from the waiting list. Members canceling with less than 10 days notice will be responsible to pay for their portion of the charter or find a replacement diver. Divers who have not cancelled and fail to make it to the dock by departure time will be responsible to pay for their portion of the charter. If the deposit is used to cover a late cancellation or no-show payment then the member must submit another deposit, or the member will be removed from future charters.
